1. Begin with a 5 1/2" x 8 1/2" piece of Basic White cardstock, score and fold at 4 1/4" to form your card base.
2. Open your card up and adhere two pieces of Penguin Playmates designer series paper (DSP), measuring 4" x 5 1/4" each, to each side of the card.

3. Place the 5th largest Layering Diorama die on top of the left-sided DSP (near the top) and hold in place with a piece of sticky note.

4. With a pencil, lightly make a mark on the white border (of the left side of the card) on the top

and bottom at the 2 1/8" mark.

5. Place your card on your Stampin' Cut & Emboss machine with the side with the die going in first.
6. Carefully line up the top plate evenly with the two pencil marks that you made and run through your machine. (hint- the plate should only cover the first 2 1/8" of the card. The remaining card will not be covered when going through the machine.)

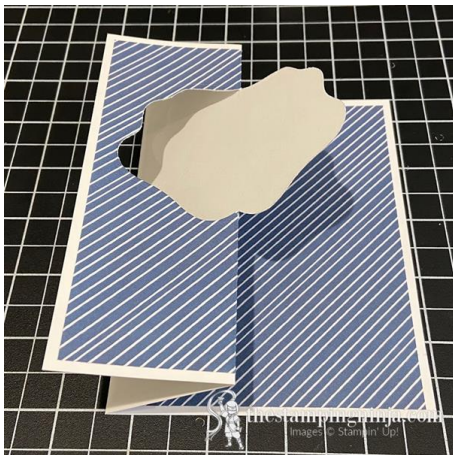

7. Remove the die, erase your pencil marks, and place your card vertically in your Stampin' Trimmer, lined up at the 2 1/8" mark. Score your card from the top of the card to the top of where the die cut has cut the card and from the bottom of the card to the bottom of where the die cut has cut the card.

8. Fold the front piece back and burnish with your Bone Folder.

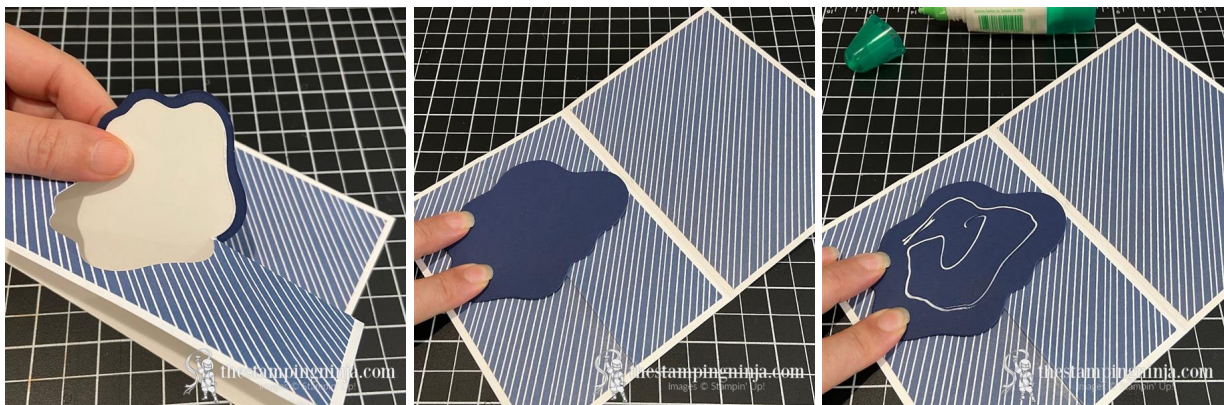

9. Using your Stampin' Cut & Emboss machine again, crop two pieces of Basic White cardstock using the 5th largest die, a piece of Night of Navy cardstock using the 4th largest die, and another piece of Night of Navy cardstock using the 4th and 5th largest dies together to make a thin diorama outline ("ring").
10. Adhere one of the Basic White cutouts to the Night of Navy cutout using Stampin' SEAL.
11. With your card open, adhere the other Basic White piece on the left, inside of the card with Multipurpose Liquid Glue. (It should line up with the cutout that you made.)

12. Lay the layered Basic White piece on top of the one you just glued, lining them up perfectly, and apply some Multipurpose Liquid Glue to the top. (hint- line them up by holding on to the portion that is cut out with your finger and thumb and carefully open the card flat. (see photos)

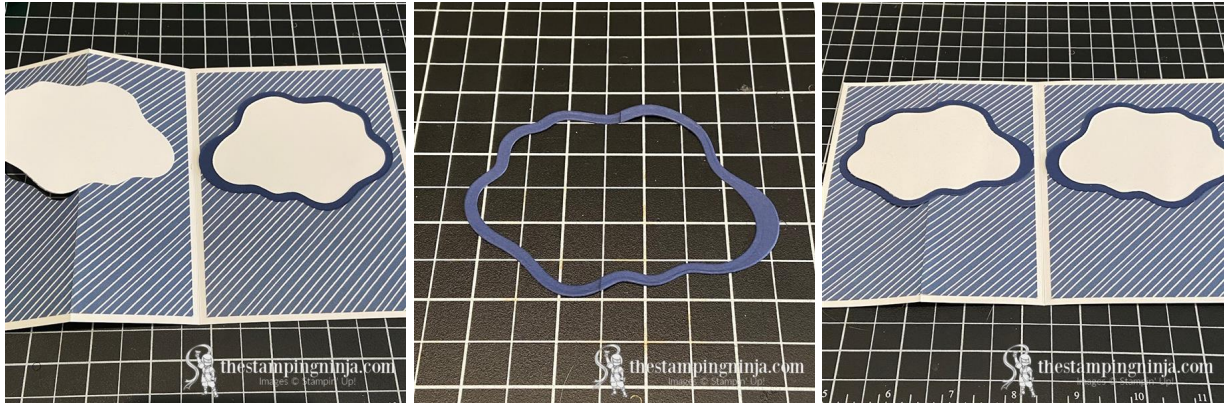

13. Slowly close the card by laying the right-hand side on top of the left-hand side. This will ensure that your die cuts are lined up perfectly when your card is closed.

14. Open the card back up and adhere the Night of Navy die cut "ring" around the Basic White cutout on the left. Fold the card closed and burnish the "ring" where the fold is with your Bone Folder.

15. Stamp your longer sentiment on a 1" x 3 1/2" piece of Basic White cardstock and the smaller sentiment on the inside cutout using Night of Navy ink.
16. Punch the ends of your larger sentiment with the Lovely Labels Pick a Punch and adhere it to a 1 1/8" x 3 3/4" piece of Night of Navy cardstock that have had the ends punched as well.
17. Apply adhesive to half of the sentiment tag and attach to the front of the card, being sure to only apply the glue where the tag is touching the front.
18. Stamp three balloons on a piece of Basic White cardstock; one in Balmy Blue, one in Misty Moonlight, and one in Night of Navy ink.
19. Fussy cut the balloons out and tie a 6" piece of Twine around the end of each. (fussy cut means to cut out with your Paper Snips)
20. Adhere the Night of Navy balloon on the inside of the card (on the white cutout) using Stampin' SEAL.
21. Attach the Balmy Blue and Misty Moonlight balloon using Stampin' Dimensionals, overlapping them slightly.
22. Gather the twine from each balloon, tie them together with a knot, and secure the knot to the card using a Glue Dot.

23. Using your Stamparatus, stamp two penguins on a piece of Basic White cardstock using Tuxedo Memento black ink.
24. Stamp the penguins beaks using Pumpkin Pie ink, a tie on one of them using Night of Navy

- ink, and a pearl necklace on the other using Balmy Blue ink. (hint- the "pearl" was made using one of the penguin eyeball stamps)
25. Stamp the penguin feet on a piece of Basic White cardstock and punch them as well as the penguins out with the Penguin Builder punch.
 26. Adhere the feet to the penguins using Multipurpose Liquid Glue and attach the penguins to the front of the card using Stampin Dimensionals.
 27. Attach eight Blue Adhesive-Backed Gems as shown. (three on the front and five on the inside)
 28. For a little extra "glam", apply a little dab of Wink of Stella to the pearls.
