1. Begin by cutting a piece of Basic White cardstock to measure 4" x 5 1/4".
2. Using your Blending Brushes, create a sunset background with the following ink pad colors: Balmy Blue, Evening Evergreen, Night of Navy, Pale Papaya, Petal Pink, So Saffron, and Soft Suede.

3. Place your sunset background in the middle of your Stamparatus and stamp a set of trees using Soft Suede ink. (hint- use your top plate of the Stamparatus rather than the side plate, so that you can move the trees to the left and right)

4. Reposition the Stamparatus plate to the right, so that the tree stamp lines up with the trees already stamped, and stamp again using Soft Suede ink.

5. Position your Stamperatus plate back to the home position and carefully slide your background image over to the right, making sure that it is at the same height that you stamped on previously. Stamp the trees again using Soft Suede ink.

6. Repeat the same process (steps 3-5) using the tree shadow stamp. (hint- when stamping with the shadow stamp, be sure to not ink up the very ends of it. There will be a slight overlap on the trees, and you don't want to get ink on the trees.)

7. Stamp some random leaves on top of the trees using Cinnamon Cider ink.

8. Cut a 5 1/2" x 8 1/2" piece of Crumb Cake cardstock, score and fold at 4 1/4" to form your card base.
9. Adhere the tree image to the card base using Stampin' SEAL.

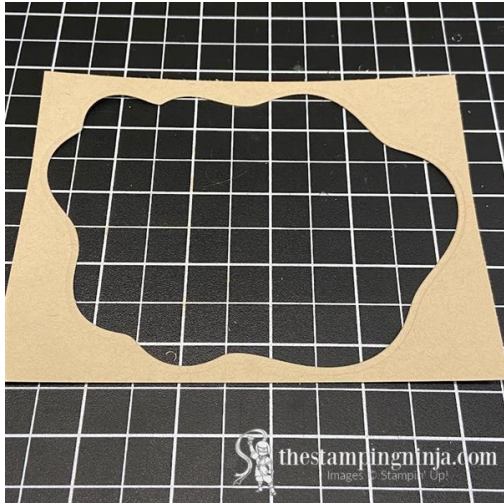

10. Crop a 4 1/4" x 5 1/2" piece of Crumb Cake cardstock with the largest diorama die from the

Layering Diorama dies using your Stampin' Cut & Emboss machine.

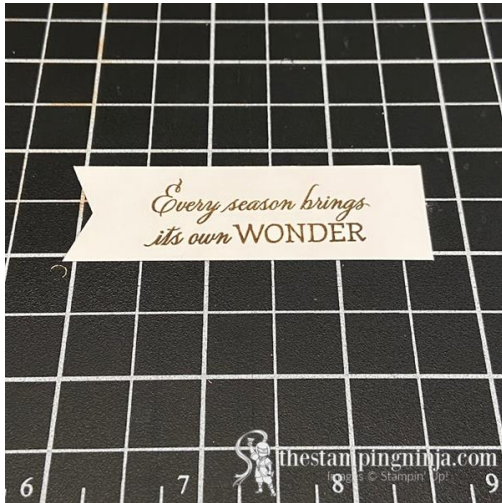

11. Sandwich your cut diorama piece in the Timber embossing folder and run through your Stampin Cut & Emboss machine.
12. Apply some Foam Adhesive Strips to the back of the diorama piece and carefully attach to the card.

13. Punch one end of a 7/8" x 2 15/16" piece of Basic White cardstock and a 1" x 3" piece of Cinnamon Cider cardstock using the Banners Pick a Punch.
14. Carefully stamp your sentiment on the Basic White label using Soft Suede ink and adhere to the Cinnamon Cider label using Stampin' SEAL.

17. Attach the label to the front of the card using a double stack of Stampin' Dimensionals.
