

Leaves of Holly Gift Card Treat Box

Melissa Seplowitz
melissa@thestampingninja.com
thestampingninja.com

1. Begin by cutting $3\frac{1}{4}$ " off one of the 12" x 12" backings from a pack of designer series paper (DSP). Then, cut the middle section to measure $5\frac{1}{4}$ ".

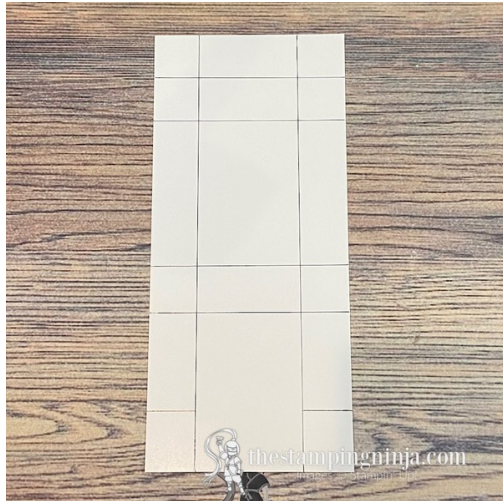

2. Turn your $5\frac{1}{4}$ " piece 90 degrees and trim $\frac{1}{4}$ " from the bottom so the piece measures $5\frac{1}{4}$ " x $11\frac{3}{4}$ ".
3. With your piece vertical, score at $1\frac{1}{4}$ " and 4". Turn 90 degrees, so the piece is horizontal with the Stampin' Up! logo to the left and prepare to score again.

4. Score all the way across at 1 ¼", 2 ½", 6 ½", 7 ¾" and score at 10 ¼" from the top to the 1st score line, then from the 2nd score line to the bottom. Burnish your score lines with your Bone Folder. (Your score lines should look like the diagram below, except with printed words on it.)

5. Using your Paper Snips, cut your horizontal score lines up to the vertical lines. Then, cut your two vertical lines, on the top side, up to the horizontal line as shown below.

6. Apply Tear & Tape to the six tabs as shown in the picture below.

thestampingninja.com

7. Adhere the first and second set of tabs to the sides to form a box. Then flip the last set of tabs so the piece is covering the top of the box at the bottom and adhere the tabs to the side.

8. Cut the 3 1/4" piece of DSP backing to measure 3 7/8" and score vertically at 1 1/4", 1 5/8", and 2". Fold on the score lines to create a peak in the middle and insert into the box. (hint- this piece will help keep the candies from rolling around in the box.)

9. If the logo on the inside bothers you, cut a $1 \frac{1}{4}$ " x $2 \frac{11}{16}$ " piece of DSP backing to adhere and cover it.

10. Cut a piece of Santa Express DSP to measure the following; one $2 \frac{5}{8}$ " x $3 \frac{7}{8}$ " piece, two $1 \frac{1}{8}$ " x $2 \frac{5}{8}$ " pieces, and three $1 \frac{1}{8}$ " x $3 \frac{7}{8}$ " pieces.

11. Wrap a 24" piece of $\frac{1}{4}$ " Gold Shimmer ribbon around the box and adhere in place with Stampin'

thestampingninja.com

SEAL. (hint- about 8 $\frac{3}{4}$ " of the ribbon should be off the edge of the top piece.)

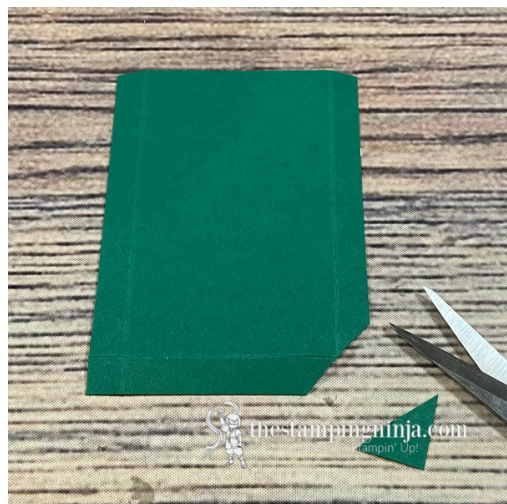

12. Adhere the DSP to the top and sides, covering some of the ribbon, using Multipurpose Liquid Glue (MLG).

13. Cut a 2 $\frac{3}{4}$ " x 3 $\frac{3}{4}$ " piece of Shaded Spruce cardstock, score on 3 sides at $\frac{3}{8}$ ", and burnish with your Bone Folder.
14. On the corners, where the two score lines intersect, trim the corners off with your Paper Snips.

15. Punch the side with no score lines with your Double Oval Punch. (Hint- only insert the cardstock about ½ way into the oval as shown.)

16. Adhere a 2" x 2 3/4" piece of Basic White cardstock to the middle of the Shaded Spruce piece and apply Tear & Tape to the scored edges.

17. Fold the scored edges back and apply the gift card holder to the inside of the box lid.

18. Close the box up by tucking the sides in on the inside and tie the ribbon in a bow.
19. Stamp your sentiment on a piece of Shaded Spruce cardstock with Versamark. Quickly dust the sentiment with gold Embossing Powder, remove the excess, and set in place with your Heat Tool.
20. Crop the following with your Stampin' Cut & Emboss machine using the Holly Berry dies; a small solid leaf in Shaded Spruce and Distressed Gold Specialty, a small, detailed leaf in Shaded Spruce and Distressed Gold, your sentiment, a solid berry bunch in Real Red, and a detailed berry bunch in Distressed Gold.

21. Adhere the detailed pieces to the corresponding solid pieces using MLG.
22. Color one of the Textural Elements pieces with a Real Red and Soft Suede Stampin' Blend.

23. Adhere the Textural Element to the box using MLG and the sentiment using Stampin' Dimensionals.

24. Using more Stampin' Dimensionals, adhere the holly leaves and berries.
