1. Begin with a 5 1/2" x 8 1/2" piece of Basic White Thick cardstock, score and fold at 4 1/4" to form your card base.
2. Layer and adhere a 3 7/8" x 5 1/8" piece of Timeless Plaid DSP to a 4" x 5 1/4" piece of Misty Moonlight cardstock, and adhere both to the card base.

3. Sandwich a 3 1/4" x 4 1/2" piece of Basic White cardstock in the Forever Plaid embossing folder and run through your Cut & Emboss machine.
4. Wrap a piece of the 2023-2025 In Color Jute Trim around the embossed piece, about 1 1/4" down from the top, three times. Secure the ends on the back with Stampin' SEAL+, then attach the piece to the card diagonally with more Stampin' SEAL+.

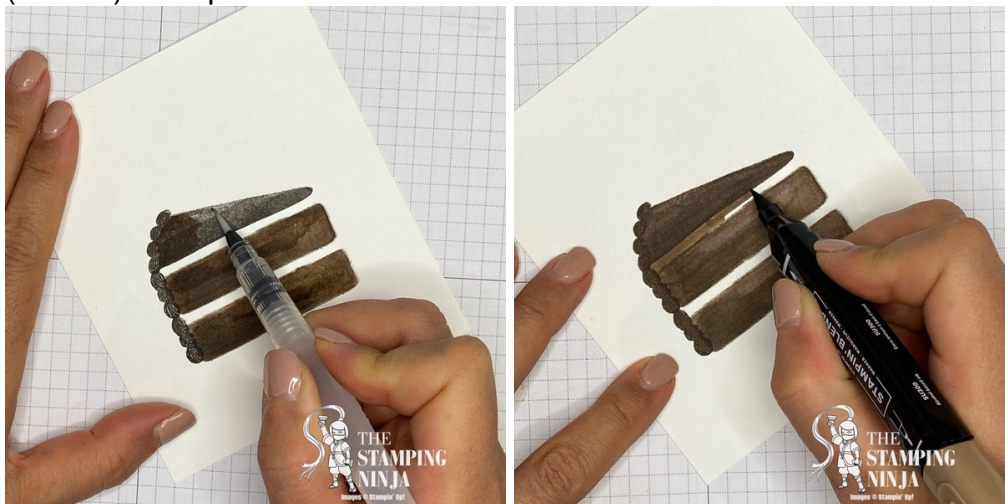

5. Stamp the three layers of cake, with icing, on a piece of Basic White cardstock, leaving 1/8" space between them, using Early Espresso ink. Then, stamp over the two bottom pieces using Pecan Pie ink.

6. Using your Water Painter, brush over the three layers of cake and the icing to blend the ink and soften the look. Then, color the space between the cake with your Medium Deep (SU300) Stampin' Blend.

7. Stamp the cake stand below the cake using Misty Moonlight ink, and a candle and flame off to the side using Old Olive and Daffodil Delight ink. Soften the stand and candle images with your Water Painter like you did the cake.

8. Cut the cake (with stand) and the candle (with flame) out with your Paper Snips. When cutting the candle, trim off any white border on the side around the bottom 1/3 of the candle.

9. Place the cake on a piece of cardboard and cut a small slit in it with a utility knife. Insert the candle into the cake, lining up the white border of the candle with the edge of the cake, and tape in place on the backside with Scotch tape. Adhere the cake to the card using Stampin' Dimensionals. (Hint- apply two Stampin' Dimensionals, one on top of the other, to the candle flame. This will ensure that the height is appropriate for the cake.)

10. Adhere a piece of Foam Adhesive Sheet to a piece of Early Espresso cardstock. Crop out the sentiment (from Wanted to Say dies) and attach to the card.

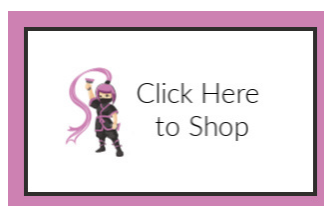

11. Attach three Adhesive-Backed Dots for Days as shown.
